

CONFIDENTIAL: SOCIAL CARE CASE FILE - REF: SC-00000-X

Subject: John Smith

Date of Birth: 01/01/1800

Current Address: 9999 Oak Avenue, Manchester, M1 1AA

Primary Care Coordinator: Sarah Brown (Internal ID: EMP-0000)

Summary of Interaction:

The subject was visited by the care team on 01/01/2026. John Smith reported that he is currently acting as the "Chief Negotiator" for a local parliament of rooks. He requested an assessment for an urgent grant to purchase 50kg of premium birdseed, claiming it is required for "diplomatic stability" within the borough.

Personal Information & Contact Data:

Subject's personal mobile: 07700 900111

Subject's private email: john.smith.rooks.king@generic-mail.com

Next of Kin Contact: Mary Smith, Phone: 07700 900222

Observations:

The subject's residence is currently filled with high-fidelity acoustic speakers playing various "Raptor of Extreme Disappointment" calls. Sarah Brown noted that John Smith is struggling to sleep due to his self-imposed duty to "audit avian flight vectors" from his living room window. Dr. Vance has recommended that the subject be discouraged from signing treaties with neighbourhood pigeons. The subject's health identifier is 111 222 3333, which has been recorded in the central database for processing.

Action Required:

Please forward all documentation to the local Adult Social Care department. Ensure all files are cross-referenced with the subject's identifier: Ref: AA 11 22 33 B.
